

## HUBO (ONCE) by EL PATIO TEATRO (Logroño, Spain)

### TECHNICAL REQUIREMENTS

#### GENERAL TERMS

**Measures:** 7m Width, 5m Depth, 3m Height

**Complete black box** required: black curtain at the back and the sides and black flooring.

**Total darkness** is essential

#### LIGHTING AND AUDIO REQUIREMENTS

**Provided by the theatre:**

- Sound table and P.A. amplification according to the venue
- Lighting desk and dimmers
- Approximately 7 profiles and other lights for the stage and seating area (ask the Company for a light plan and technical details)

#### CAPACITY AND AUDIENCE SEATING

Given the nature of the performance, we recommend the audience being seated close to the stage. The ideal would be using a raked seating.

**Capacity up to 100 people-** in all performances where there is raked theatre or there is a classical frontal seating but with good sight lines and close to the scene.

**Capacity up to 60 people-** in all performances where there is not raked theatre but flat floor and the audience is positioned in the same level of the scene seating on cushions, benches or chairs.

**TARGET AUDIENCE and RECCOMENDED AGES**

All audiences from 8 years old.

Also available as adults only performances.

**TIMES GET IN-OUT**
